### Date

n.d.

### Artist/Maker

Gerard LaFortune

### Medium

Oil on canvas

### Description

Transformation (snake/man). A figure dressed in black with arms raised over its head wears a dark suit, its lower body ending in the tail of a snaky fish. Wearing glasses, a mustache, and the earnest expression of former President Aristide, the figure seems oblivious to the small presence next to it, dressed in a farmer's hat and a dark jacket. The disembodied setting takes place in a field of green, yellow and red.

### Dimensions

40" H x 29 3/4" W
