

Basic Detail Report

Loom

Date
20th C

Artist/Maker
Unknown, Quechua

Medium
Wood, wool

Description
Backstrap loom with a weaving of a ch'uspa or coca leaf bag in progress. The main bag has two large inti (sun) designs as well as

winged horse and others. The small pocket is integrally woven with a scaffold; it is here looped up with its plain side out, although there are floating bird designs on the other side.

Dimensions

10 3/4" L (unstretched and w/o ties) x 17 1/8" W

Object number
