

Medicine Woman doll

Date

2007

Artist/Maker

Virginia Alice Stroud

Medium

Glass beads, cloth, feathers, fiber, Hair, leather/hide, Glass beads, ribbon, embroidery thread, horse hair?

Description

Female medicine woman doll, with no facial features (in line with Cherokee tradition). She wears a dress and overskirt tied around the waist with a leather thong, a single feather in her hair, and a white bead necklace. She has red paint across her forehead, and carries a white cloth sack in her right hand and a bundle of herbs tied with red thread in her left hand.

Dimensions

12 1/8" H
