J.C. BLAINE, PRESIDENT.

D. KEARNEY VICE PRESIDENT.

D. VOORHEES TREASURER.

M. HALSTEAD SECRETARY.

THE ONLY WAY OUT OF IT.

"The Sub-Treasurer reports that he already has 500 tons of dollars in his charge, and that he cannot provide for more than about \$10,000,000 additional, which would bring the burden up to, say, 760 tons. The Secretary lays the report of the Sub-Treasurer before the House with apparent confidence that that body will take a hint from it."—News.
