Basketry Bowl

Artist/Maker

Unknown, Igorot

Medium

Cloth, feathers, fiber, pigment, wood, mica, synthetic cordage

Description

Basketry bowl with two rings of yellow and dark alternating fibers on the bottom and five rings of red-dyed bamboo around the body of the basket. From either side feathers are suspended and a piece of mica is suspended on one side from one side from the remains of a cloth handle. The handle was replaced with shiny red synthetic cordage.
