

One Day, One Child Series

Artist/Maker

Museum Placement Services

Medium

Monotype with painting, on Stonehenge paper

Description

Central image of circled Star of David with a portion of the same image larger at the bottom. Mostly obliterated archival photographs of little boy with arms in the air and guard pointing gun at him, as well as repeated images of the guard's face and body. Includes archival texts in Dutch, German, French, and Serbo-Croatian, as well as letters from word "Abracadabra," and

information about the Kaddish in English. Quote about burning books at the bottom center, just left of the Hebrew text of the Mourner's Kaddish. Principle colors are gray, black, and white.

Dimensions

28" x 40"

Object number
