

Basic Detail Report

Scarf

Date

1879

Artist/Maker

Unknown, Albanian

Medium

Silk

Description

Local silk scarf created in Kruje. Most of the scarf is plain natural silk with decorative bands and geometric elements at the two ends. The widest band has interlocking geometric shapes alternating with plain red areas. Narrower multicolored bands and twisted multicolored yarn are above and below the central band. A single band of red triangles is above the principal group of bands.

Two openwork areas at the end are set off by narrow multicolored yarn bands. Fringes at both ends.

Dimensions

75" L x 18" W
