

Basic Detail Report

Balam

Date

1995

Artist/Maker

Jose Ortiz Bracamonte

Medium

Clay, pigment

Description

Wide vessel with black mouth and base and blue-gray shoulder speckled with red, green and black. Two identical images of a white and black linear design upon which a thin orange jaguar is

drawn. Seven red dots appear above each jaguar, and three groups of thin lines are attached to its body. Two elongated vertical openings separate the jaguar images.
