

Mola Panel with Standing Animal

Date

1970s ?

Artist/Maker

Unknown, Kuna

Medium

Cloth

Description

Large square mola panel with three layers of fabric in red, orange, and black to create a multicolored reverse appliqué and appliqué unknown standing animal that appears to be beating a drum with its open hand. It is surrounded by multicolored geometric patterns

and a few dashes. The face is ornamented with embroidered running stitches. The complexity of the appliqué stitching is visible on the back of the mola panel.
