Description

One of a pair of mola panels (with NLA2013.02B). Three layers of fabric in maroon, black, and gold together with additional interleaved fabrics create a reverse appliqué and appliqué image of a helicopter/time machine, a man, and a cat (?). The machine has various sizes and colors of pierce circles and a five-pointed star at the top. Both the machine and the figures are decorated with chain and running stitches. Multicolored lines in reverse
