

Mola Panel with Little Girl's Dress

Date

Late 20th C

Artist/Maker

Unknown, Kuna

Medium

Cloth

Description

Mola panel with two layers of maroon and aqua fabric with additional interleaved colored fabric to create the image of a little girl's dress with multicolored borders in both reverse appliqué and appliqué. Designs on the dress include hearts, diamonds, circles

(buttons), scallops, flowers, and four-lobed designs in appliqué. Additional designs chain stitched throughout. Dress is flanked by two appliqué and embroidered flowers, and surrounded by multicolored dashes.
