

## Mola Panel with Parrot

### Date

Late 20th C

### Artist/Maker

Unknown, Kuna

### Medium

Cloth

### Description

Mola panel with two fabric layers in maroon and dark teal that with additional interleaved fabrics create multicolored dashes in various orientations and a border around a parrot and branch with two large leaves in reverse appliqué. In appliqué are chevrons

representing feathers on the wings and concentric circles on the breast of the bird and spines and ribs on the leaves. Embroidery accentuates outlines, surrounds bird eye, creates “swastikas” and other designs.

### Dimensions

13 1/2" H x 18 3/8" W

### Object number

NLA2011.44.LMA
