

Mola Panel with Christmas Tree

Date

Late 20th C

Artist/Maker

Unknown, Kuna

Medium

Cloth

Description

One of a pair of small mola (molita) panels (with NLA2011.42A) with two fabric layers in maroon and light blue with additional interleaved fabrics to create reverse appliqué background of multicolored vertical dashes. In appliqué a large central Christmas

tree is flanked by two large candy canes. The tree is ornamented with appliqué balls, stars, and bells, as well as chain stitch embroidery icicles. The tree is outlined in orange and the candy canes in blue.

Dimensions

10 1/4" H x 13 1/8" W
