Mola Panel with Horse and Rider

Artist/Maker

Unknown, Kuna

Medium

Cloth

Description

Mola panel with four fabric layers in black, dark maroon, orange, and light maroon to create the reverse appliqué outline and serrated border of a large horse and rider and three additional smaller figures. Appliqué elements create and decorate the figures and the large star at the center of the horse. Reverse appliqué and appliqué triangles fill the background and body of the horse. Embroidery decorates mostly the faces and limbs of the figures.
