

## Mola Panel with 25 Goose

### Date

Late 20th C

### Artist/Maker

Unknown, Kuna

### Medium

Cloth

### Description

Mola panel with two fabric layers in black and red with additional interleaved fabrics to create reverse appliqué background of multicolored vertical dashes and the outline of a large goose whose neck, body, and tail also create the number 25.

Multicolored appliqué elements define the feathers of the bird as well as leaves and bells. The latter, in addition to the face and beak of the bird, are heavily embroidered with herringbone stitching.
