Pot with parrots

Artist/Maker

Beverly Garcia

Medium

Clay, pigment

Description

Olla, hand coiled and thin walled, with black around rim. Black, ochre red and ochre designs on a cream ground with two designs consisting of two parrots standing on branches facing each other over a geometric central design. That design appears four times and consists of a central square enclosing a dotted circle with triangles above and below and pointed ovals surrounded by scalloped patterns on each side.

Dimensions

8 1/4" H x 9" Diam.
