

## Silver Brooch

**Date**  
19th C

**Artist/Maker**  
Unknown, Native American (USA)

**Medium**  
Silver

**Description**  
Silver brooch with fastener across the front. Circular form with scalloped edging and two rings of cutout designs, ovals in the outer ring and diamonds in the inner ring. Tiny hatched linear patterns decorate the scalloped border and create a line that meanders around the diamond cutouts. Circular opening.

**Dimensions**  
Diam: 1 5/16"

**Object number**  
NA1962.010.ALL
