## Mud Cloth

### Artist/Maker

Unknown, Bamana (Bambara)

### Medium

Cloth

### Description

Mud cloth composed of eight hand woven strips, each 5" wide, hand sewn together. Small fringe on top and bottom. Alternating

pattern of squares filled with cross-crossed lines and squares divided into four smaller squares each segmented with an X forming a large diamond, with occasional exceptions in which the patterns do not alternate but appear next to and above one another. One end of the textile has a border of rectangles hatched with diagonal lines.

### Dimensions

74" L x 39 1/2" W

### Object number

AF2002.1457.COP
