

Pattern sampler weaving

Date

1971

Artist/Maker

Unknown, Aymara

Medium

Wool, camelid wools

Description

Textile woven in two long pieces and joined at the center. The forty-two rectangular units (seven x six) contain distinctive designs, many based on old Incan textile patterns and tunic designs. The textile is surrounded by an inner border of thin gray, lavender and natural white lines and a wide outer border of natural variegated black wool.

Dimensions

63 3/4" H with fringe x 46 3/4" W
