

Mola Panel with Jaguar in a Tree

Date

Late 20th C

Artist/Maker

Unknown, Kuna

Medium

Cloth

Description

Mola panel with two fabric layers in maroon and white that create the outline of a jaguar on a branch. Additional interleaved fabrics create reverse appliqué multicolored vertical dashes surrounding the jaguar. The body of the jaguar is composed of geometric

segments of linear and serrated appliqué at the center of which interleaved fabrics create vertical dashes. Legs are embroidery with appliqué claws. Extensive embroidery on face, tail, and branch.

Dimensions

10 1/2" x 16 1/8"
