

Basic Detail Report

Pot with birds

Date

c. 1990

Artist/Maker

Sofia Medina

Medium

Clay, pigment

Description

Olla, hand coiled of red clay, with solid red bottom separated from the body by two black lines on a white ground above which are four areas framed with foliate meander designs each enclosing a bird. Two of the birds have red breasts and necks on black bodies;

the meander appears above these birds. The other two birds have striped white and black breasts and wings on black bodies; meander appears below. Rim outlined thickly in black.
