Date

Late 20th C (prior to 2000)

Artist/Maker

Irene McDonald

Medium

Pigment, Black ash splint, sweetgrass

Description

Basket is made with very small black ash splints, most of them natural with some dyed purple creating two dashed lines around the body and at the outer edge of the top of the lid. Purple splints are also used to create a multi-looped handle, while natural splints

create a porcupine twist base. Sweetgrass at center of lid.
