

## Medicine Woman doll

**Date**

2007

**Artist/Maker**

Virginia Alice Stroud

**Medium**

Glass beads, cloth, feathers, fiber, Hair, leather/hide, Glass beads, ribbon, embroidery thread, horse hair?

**Description**

Female medicine woman doll, with no facial features (in line with Cherokee tradition). She wears a dress and overskirt tied around the waist with a leather thong, a single feather in her hair, and a white bead necklace. She has red paint across her forehead, and carries a white cloth sack in her right hand and a bundle of herbs tied with red thread in her left hand.

**Dimensions**

12 1/8" H

**Object number**

NA2008.41.ROE
